## CODE OF STUDENT CONDUCT

**San Francisco Pacific Academy (SFPA)** has developed the *Code of Student Conduct* to help students, parents, and school personnel understand the guidelines for maintaining a safe and orderly learning environment. The code applies to all SFPA students.

Each SFPA student must obey school rules:

- While on school grounds
- During school-sponsored events, such as field trips, and similar activities.

SFPA also have authority to discipline students for acts near or related to the school, when a student's conduct has a detrimental effect on the health, safety or welfare of the student, of other students, of the school or of school personnel.

While students may be disciplined for violations according to the responses outlined in this code of conduct, be aware that there could be additional consequences through law enforcement for acts that violate the law.

Teachers will enforce the all school rules and values in their classrooms. Every student has the right to learn and every teacher has the right to teach uninterrupted. If you choose to interfere with their teaching or another students learning one or more of the following consequences may ensue during a class:

- ✓ Verbal warning
- ✓ Teacher/student conference
- ✓ Moved to a new seat in the classroom
- ✓ Completion of a reflection sheet in the B.O.B. book ( for grades 6-8 )^^^
- ✓ Parent contact
- ✓ Removal from class
- ✓ Office Referral

Every SFPA student understands that to maintain a structured learning environment there must be rules and consequences clearly established. At NO time is it acceptable for any teacher to disrupt the learning process of others.

Reoccurring incidents could result in consideration of expulsion.

### ^^^B.O.B. book ( grades 6-8)

B.O.B. stands for “Book of Behavior” and consists of Behavior Reflection Sheets. The purpose of these sheets is to allow students time to reflect on issues, behaviors, or situations that adversely affect the classroom learning environment. A student issued this form must complete it and have it signed by his/her parents. The form must be returned to issuing teacher the following day at the beginning of school.

In addition to reflecting on B.O.B. questions like “What rule did I break?”, or “What effect did my behavior have on my learning and on the learning /safety of others?”, the student will need to write a personal essay, explaining his/her thoughts and actions. This essay will be graded as English writing assignment, and the grade will be included in the student’s grading book, affecting the student’s final English grade.

As a result of receiving a B.O.B. Reflection Sheet , the School Office will be notified and, depending on the behavior/situation described as well as the number of discipline violations student has on his/her personal record, the Office will assign the appropriate consequence(s).
